

To drop off your competitors, follow Convention Drive and turn left at STOP Sign into Triangle Aquatics Center parking lot. Follow red direction signs to drop your competitors off at Front Entrance and continuing to the outside SONC parking area to park.

2 goals:

- 1) Keep one-way flow of traffic, therefore no vehicles will need to cross each other.
- 2) All drop-offs will be in one location at the main entrance. Wheelchair accessibility to the pool will occur via elevator near the main entrance. Most vehicles will be diverted to the SONC parking area, either after athlete drop-off or if there is no drop-off.

On the occasion that a larger vehicle needs to access the rear of the TAC for ADA-Accessible loading and unloading, direct access will be provided.
